

Directory Information

Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want **North Lamar ISD** to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing within **ten school days of child's first day of instruction for this school year**. For the 2011-2012 school year that date is September 2, 2011.

This means that the district must give certain personal information (called "directory information") about your child to any person who requests it, unless you have told the district in writing not to do so. In addition, you have the right to tell the district that it may, or may not, use certain personal information about your child for specific school-sponsored purposes. The district is providing you this form so you can communicate your wishes about these issues.

Directory information includes my child's:

1. Name,
2. Address,
3. Telephone listing,
4. Date and place of birth,
5. Photograph,
6. Participation in officially recognized activities and sports,
7. Weight and height of members of athletic teams,
8. Dates of attendance,
9. Grade level,
10. Enrollment status,
11. Honors and awards received in school,
12. Most recent previous school attended, and

In exercising my right to limit release of this information, I have marked through the items of directory information listed that I direct the District not to release without my prior written consent.
