Dear Parent,

College Courses for your junior or senior are available at no tuition cost to you from two 4-Year Texas Public universities-UT Arlington and Lamar University! This new online Dual Credit Program allows juniors and seniors to earn high school and college credit at the same time while taking only one course. This will be one more exciting opportunity for our kids to further their education. North Lamar High School is now part of the Texas Virtual School Network, so we now can offer these courses.

**Benefits of the New Online Dual Credit Program:**

- College courses at no tuition cost
- Courses provided online, allowing flexibility
- Classes taught by 4-year public university faculty with instructional assistants monitoring student progress
- Guaranteed transferability of all credit within the Texas state university system

To learn more about the new online dual credit program go to [dualcredit.stateu.com](http://dualcredit.stateu.com). I will be meeting with students that are interested. Please contact me if you have any questions.

Sincerely,

Paul Allen
