

SAT PREP CLASSES - SENIORS

To help our students be better prepared for the SAT, North Lamar, in conjunction with Success Center For Learning, is offering a two day preparation class for seniors. This class, valued at \$195, will be paid for by NLISD. In addition, North Lamar will also reimburse the amount of the basic registration fee for the SAT given on December 5, 2009, for those students who attend both days of the prep class. No late fees will be paid by North Lamar.

These prep classes must be limited to 75 students. Seniors will be given the first opportunity to sign up for the class; however, the names of interested juniors will be placed on a waiting list. An ACT prep class will be offered to juniors in the spring.

We are asking those students who are interested in being better prepared for the SAT to make a commitment to this class. North Lamar is excited for this opportunity to help our students both academically and financially, and we appreciate your support of this endeavor. Students who register for the two-day prep class but fail to attend both days will be required to reimburse NLISD for the full cost of the class (\$195).

The classes will be held on the PJC campus at the Bobby R. Walters Workforce Training Center on October 27 and October 28, and students will need to provide their own transportation. The classes will begin at 8:00 a.m. and end at 3:00 p.m. Students will be responsible for their own lunch between noon and 1:00 p.m.

Students must bring their own calculators.
